Optional machine accessories:

Cleaning tool and floor wand for cleaning upholstery and tight areas.

Innovative, self-contained carpet extractor with outstanding cleaning performance in small areas.

With its new, sleek design and innovative features, the Tennant 1200 carpet extractor stands out from the others. Offering a unique folding handle design with multiple positions for operator comfort, trigger grips for solution dispersal, and a lift-off recovery tank for easy water disposal, it delivers outstanding performance on carpets at a high degree of comfort.

The Tennant 1200 is ideal for cleaning small and medium size areas found in schools, hotels, offices and healthcare. The optional cleaning tool and floor wand easily extract soil from upholstery and hard to reach areas.

- **Lightweight:** easy to transport
- **Floating brush head design:** self-adjusting brush pressure
- **Ergonomic solution/brush trigger**
- **Adjustable folding handle:** operator comfort, convenient transport and storage
- **Removable, 15 L recovery tank:** easy emptying, compact size
- **Change spray jets without tools:** simple to service and maintain
- **Roto-moulded polyethylene body:** many years of dependable use
