Airflow (Speed 2)	m ³ /h	4,201
Dimensions L x W x H	cm	38 x 58 x 49
Cable length	m	5
Machine weight	kg	13.5

Powerful air blower for drying of carpets or hard floors.

The Tennant 200 produces a powerful airflow of up to 1,167 l/sec to significantly reduce drying time of wet carpet and floor finishes. Reducing the drying time up to 50%, this high-performance blower is ideally suited for overnight cleaning and quick drying jobs.

Using the 200, wet floors can accept traffic much sooner, avoiding interruptions of day-to-day activities. This makes this piece of equipment ideal for applications in healthcare, hotels, schools and offices. Moreover, the Tennant 200 helps to avoid the ill effects of long exposure to wetness, contributing to a longer life of the carpet.

- **Safe and very easy to operate:** can be left unattended at all times
- **Adjustable legs:** allow airflow to be guided in almost any direction
- **Two-speed selectable operation:** optimum drying time
- **Ergonomically built and light weight:** easy handling and transportation
- **Screened intake and exhaust apertures:** increased safety
- **Roto-moulded polyethylene body:** extremely durable

(Specifications subject to change without notice)

Creating a cleaner, safer world™

Tennant Company offers the most complete line of floor and surface maintenance equipment, floor coatings, brushes and cleaning detergents in the world, for the industrial, commercial and outdoor cleaning markets. Our sales and service networks are able to provide you with integrated customised cleaning solutions to meet any floor care need.
